Instructions:

1. **Complete Employee Information section** (please print).
2. **Complete Health Care and/or Dependent Care Expense section** as appropriate. Service must be incurred before being reimbursed.
3. **Attach all required supporting documentation**.
4. **Supporting Documentation:** The type of documentation described under either A or B below **must** be attached to the completed form.

   A. Explanation of Benefits form (EOB): This is the form you receive each time you or a health care provider submit claims for payment to your health, dental, or vision care plan. The EOB will show the amount of expenses paid or denied by the plan and the amount you must pay. For all health care expenses that are partially covered by your (or your spouse's) health, dental, or vision care plans, you **must** attach an EOB. Please do NOT highlight items.

   B. All other Expenses: For expenses not covered at all by your (or your spouse's) health, dental, or vision care plans, reimbursement request **will not be processed** without acceptable evidence of your expenses. A canceled check is not considered acceptable evidence. Acceptable evidence includes receipts, which contain all of the following information (please do NOT highlight items):

   - Name of person for whom the service/supply was provided;
   - Date expense was incurred;
   - Description of service provided (i.e., Office Visit, Dental Cleaning, Vision exam, or RX including RX number, NDC, or drug name,);
   - Name of provider (i.e., the physician, hospital, dentist, pharmacy); and
   - Amount of expense(s)

5. **Beginning on January 1, 2011, over-the-counter (OTC) medicines or drugs will only be eligible for reimbursement with a doctor's prescription.** A prescription for a medicine or drug (except insulin) must be a written or electronic order that satisfies the legal requirements for a prescription in that state. It must include Patient Name, RX Number, NDC Code or Drug Name, Date(s) of Service and Amount.
6. **Sign and Date the form** (if submitted without employee signature claim(s) will be denied.) Please make copies for your records, as these documents will not be returned.
7. **Mail the completed form and attachment(s)** to: Coventry Consumer Choice, PO Box 7758, London, KY, 40742 or fax to (606) 330-1377. If you fax your claim(s), keep the original and the receipt fax showing time and date for tracking purposes.
8. **If you have any questions** regarding your reimbursement account or claims. Please call the customer service number or visit the member website address located on your medical ID card.
9. **Electronic fund transfers** (i.e. direct deposit) will be deposited directly into the designated bank account regardless of reimbursement amount.

Dependent Care Requirements:

In order for your dependent care expenses to be reimbursed from the flexible spending account, the expenses must meet all plan and IRS requirements. Please review your plan documents carefully to determine whether an expense meets the plan requirements. Reimbursement of dependent care expenses will reduce and may eliminate completely your ability to claim dependent care credit on your federal income tax return.

General Reimbursement Guidelines:

- Reimbursement is not a guarantee that this payment is tax-free.
- Health care expenses reimbursed through this account cannot be deducted on your federal income tax return.
- Expenses can only be submitted for reimbursement if they were for you or for eligible individuals under this plan.
- Reimbursement will only be made in accordance with the provisions of the plan. You accept responsibility for the proper treatment of benefits paid under this plan with respect to eligibility, income tax reporting and liability.
